

BERENDS SLASHERS

**Made in
Australia**

The EP Range

A robust medium duty slasher to suit small to medium size tractors. Australian made using high quality European components. Excellent value for money.

- Body designed to take real punishment. 3mm top plate and strong 6mm thick side panels prevent denting.
- Bondioli & Pavesi Series 4 pto driveshaft with 2 plate slip clutch protects slasher and tractor. Optional over-run clutch to suit tractors with single stage clutch.
- 40 HP oil lubricated Comer gearbox. Optional Italian manufactured gearbox upgrade. EP180 is fitted with 50HP Comer gearbox.
- Hardened and tempered stepped/bushed slasher blades.
- Available in 5 widths with dual mounting (centre or offset)
- Floating headstock for working on undulating ground.
- Optional pneumatic wheelkits available for depth control.
- Fitted with front and rear chain guards
- Cat 1/2 linkage.
- Optional galvanising available. EP180 only available in galvanised.
- Full 12 month warranty on design and manufacture.
