

## WORKING FOR GENERATIONS TO COME!

Ranging from standard duty to heavy duty, Woods have a post hole digger to suit all applications including an option for sub compact tractors. Heavy-duty welded construction, a rugged gearbox with heavy tapered roller bearings, spring-loaded seals on the gearbox and forged steel teeth offer the durability you need for big or small jobs – no matter your soil conditions. A positioning handle is standard on all models. Various auger sizes available.

Whatever your soil conditions, you can rely on a Woods Post Hole Digger for all your digging needs.

- Choose from 6", 9", 12" & 18" diameter augers
- Three-point hitch: Cat 1 and Limited Cat 1 (PD25.20)
- Four boom positions to fit a greater range of tractors
- Parking stand for storage and stability during hook up
- Positioning handle to easily guide auger into place
- Shear bolt protected PTO (540) helps prevent damage to drive components
- 6 year limited gearbox warranty

Tractor PTO HP Range:

**25 - 95HP**

Models

PD25.20 | 25hp

PD35.30 | 35hp

PD95.50 | 95hp
